NOT A PERMIT

SPECIAL FILMING CONDITIONS
CHANEY TRAIL AND ALZADA DRIVE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Chaney Trail is a narrow and steep County road that feeds into approximately 36 homes that sit on three private streets: Alzada Road, Jaxine Drive and Leilani Way. The following Special Filming Conditions have been established to allow for safe and responsible film production in the area.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.* **Email notification must be sent to Alice Wesson at awessen@yahoo.com.**
- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be provided by the production company and cast/crew must be shuttled to and from the location.
- **NO POSTING OR PARKING IS ALLOWED ON CHANEY TRAIL, LEILANI WAY, ALZADA DRIVE AND JAXINE DRIVE.**
- **Posting/parking is allowed in the LA County Flood Control basin at the corner of Chaney Trail and Alzada Drive**. *It can ONLY be used under the following conditions:*
    1. Production company must wet down lot before entering/exiting to control the dust generated by its use
    2. Production trucks are not allowed to idle.
    3. Area should be returned to the same or better condition upon exiting basin.
- **Posting and/or parking requires that CHP or Sheriff be assigned to ensure safe traffic flow.**
- **Generator(s) must have a proper noise shield shall only park in front of location being used or in front of a home that has given permission.**
- **Due to the very dry brush and flammable conditions present in the canyon, smoking is prohibited.**
- **Production companies are required to completely remove all trash, food, cardboard boxes, etc. from the general vicinity at the end of each filming day.** *The area should be returned to the same or better condition.*
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** *The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.*
